Hi Josh,

Jeff Heimerman requested that I provide you with ERT's **24/7** phone duty personnel for the next 7-days should you require more ERT assistance or technical expertise. The phone duty person should be your off hours point of contact as to ERT; they'll know who to call for your needs.

Alan Humphrey (**609.865.4546**) will be on duty until 4:00 pm today.

After that Dave Mickunas (**609.865.1574**) will take over phone duty until next Friday at 4:00pm.

Thank you,

Jeff M. Catanzarita  
Environmental Engineer

Since my last note (an asterisk (\*) denotes ongoing support):

- \*Greg Powell staying to assist with immediate water treatment, clearing of irrigation canals, and groundwater assessment (until relief on this last task arrives)
- \*David Charters and Mark Sprenger – Providing support, including the use of SERAS contract, on health and environmental data analysis and presentation
- Tom Kady – Provided remote support on longer term water treatment options
- \*Gary Newhart – Mobilized at request of Region 8 for two weeks to provide support on groundwater assessment (relief for Greg on this task) (note: Don Bussey was not available for the next two weeks but could fill in later if needed)
- \*Joe continues to be engaged on data management, as needed
- Henry Gerard – Provided phone support to R8 on analytical chemistry and metals analysis
- \*Brian Kovak – Working with OEM HQ-EoC on health and safety issues
- \*Sella – Ensuring we are able to provide contract support
